## **OLD TUCSON STUDIOS AND THE SINGLE ACTION SHOOTING SOCIETY SADDLE UP IN NEW ALLIANCE**

(Tucson, Arizona)—Old Tucson Studios is pleased to announce that it has formed an alliance with The Single Action Shooting Society or SASS by becoming a corporate member. SASS is an international membership organization created to preserve and promote the sport of Cowboy Action Shooting. SASS, based out of Albuquerque, New Mexico, has over 80,000 members worldwide.

SASS member John Schaffer (SASS alias Town Mayor #4981) who facilitated the SASS alliance with Old Tucson Studios, believes that “SASS is a natural fit with Old Tucson Studios as we depict the Hollywood West in many of our shooting competitions and we dress the part in period guns, boots, hats, chaps, spurs, and more. Many of the characters that SASS members adapt in their personas originated in movies shot at Old Tucson Studios!”

Old Tucson Studios has been immortalized in over 300 feature film and TV Westerns and is Hollywood’s most famous Western location. Old Tucson Studios is open daily to visitors.

Active SASS members in full costume will receive free admission to Old Tucson Studios. According to Old Tucson GM/CEO Pete Mangelsdorf, the arrangement allows Old Tucson visitors the unique chance to see SASS members on the Western sets of Old Tucson in these “one-of-a-kind” costumes which are scrupulously researched by SASS members. “Old Tucson is proud to support SASS and its members as both organizations are committed to preserving and promoting the spirit and traditions of the West”.
