RAP SENSATION FLO RIDA TO PERFORM AT NIGHTFALL 09' OLD TUCSON STUDIOS

(TUCSON, AZ) --Old Tucson Studios 2009 *NightFall, Harvest of Fear* which begins October 1 and runs throughout the month of October will feature a performance on Thursday, October 29 by hip-hop superstar Flo Rida whose current hit *Right Round* has been # 1 on the Hot 100 for six weeks.

Each year, the terrifying haunted houses, entertaining live shows and high scare factor of wandering and unpredictable asylum inmates "streetmosphere" make *NightFall* Arizona's most popular Halloween attraction.

In 2008, *Haunted World* Magazine named the popular annual horror fest one of its Top Ten Halloween Attractions for Theme Parks nationwide.

This year the town of *NightFall* is once again terrorized by the extraordinarily evil Dr. Jedediah Hyde who met his match last year with the equally wicked Isabel. Will Hyde finally get his revenge? You won't know unless you attend Old Tucson Studio's *NightFall, Harvest of Fear!*
