NIGHTFALL BEGINS ON FRIDAY, SEPTEMBER 30th!

(TUCSON, AZ) -- Old Tucson is pleased to announce the return of *Nightfall* rated in the top ten US Halloween attractions for more than two years running! For more than twenty years, terrifying haunts and entertaining live shows have made Nightfall Arizona's biggest and best value Halloween attraction. It's not just a Haunted House; It's a Whole Town Gone Mad!

New Buildings, Laser Light Show

Twelve new buildings located in town square have been added that bring alarming spectacles as well as new twists and turns for maximum scare potential. **The Web!** features a club atmosphere combining a laser light show by LumioVista with heart and ear-pounding music videos of Ozzie Osborne, Rob Zombie, Marilyn Manson and more. **LIVE MUSIC FRIDAY NIGHTS:** Tucson's *Mission Creeps* perform live independent noir horror rock combining music styles including goth, surf, punk and more.

New Haunts

Nightfall's 2011 signature show, *Dead of Night*, tells the story of two unfortunate teens who venture into Pappy's Scrap. Pappy, a retired circus clown turned Serial Killer runs the scrap yard with his sadistic family. This show features the Hollywood style spectacular stunts, pyrotechnics, and horrifying effects that generations of Tucsonans have come to expect from Nightfall. Other featured attractions include:

- *Gross Encounters:* A comedy show involving a self-described defender of America, a videographer, space aliens, and gross encounters of the absurd kind.
- *Zombie Lock Down, Carnival Caverns, Iron Door Haunted Mine:* Up close and personal encounters with shock and horror.
- *The Gargoyles:* Hysterical equal opportunity hecklers hurling nightly verbal assaults.
- *Plus:* Sinister characters roaming the night, festival-style food, snacks, beverages, and souvenirs!

Please note that some performances maybe not be appropriate for the easily offended. Subject matter may contain mature themes and innuendo.

Nightfall, not to be confused with mere "haunted houses" or corn mazes, is open: Thursday and Sunday, 6-10pm; Friday and Saturday, 6pm to midnight; and on Halloween night (Monday, October 31) from 6-10pm.
