#### **THE WESTERN TEAMBUILDING BREAKFAST CHALLENGE:**

Your employees will endure the same challenges as the Wild West cooks did back in their day. They will have to find, trade, and barter to get the ingredients needed to make breakfast and then cook outside in the elements. They have ninety minutes to accomplish this goal. Our select panel will judge each team on teamwork, presentation, and dish title. The first team to finish gets bragging rights, but remember, you gotta eat what you make!

#### **BEHIND THE SCENES CHALLENGE:**

Our team of Professional Entertainers will show your employees the tools of our trade. If you ever wanted to see what it takes to be a Hollywood "Stuntman or Stuntwoman", this is your chance! They'll teach you fight choreography and how to fall off buildings just like they do everyday here at our Studio. Your employees will have our performer's undivided attention for two hours.

#### **THE AMAZING WESTERN ROUND UP:**

Want to challenge your employee's competitive skills? We'll break them into small teams and send them out on an obstacle relay, scavenging throughout our town. As a team, they must complete several challenges in ninety minutes. The first team to complete all the challenges and meet at the finish line wins a prize plus bragging rights!

#### **SONORAN CHILI COOK OFF:**

Give your employees the chance to be the Iron Chef of the Wild West! Each team will be assigned a cooking station with the same basic ingredients. Extra ingredients will be available on a first come, first served basis. Each team has thirty minutes to cook their chili. While the chili is cooking, teams will present the name of their chili, a tag line for the chili, and perform a 60 second commercial (each team will be given a mystery bag of props for their commercial). The judges will announce the winner based on the best tasting chili, best chili name, best chili tag line, and the best commercial.
